

Growing up in the ministry of evangelism, Scott Sivnksty received Jesus Christ as his Savior at the age of sixteen and surrendered his life to full time ministry. Graduating from Bob Jones University, Scott found a way to be a witness through the martial arts.

"I have had a great fascination of the martial arts since I was a young boy. Although I received some cursory instruction, my formal training began when I was sixteen. I received an intermediate rank in a style that combined Shotokan and Goju-ryu karate. When I went to college I joined a karate extension team that went out and performed karate demonstrations and preached the gospel. I currently hold a third degree black belt in Chinese Kenpo karate. I have also received some elementary training in Muay Thai kickboxing, Brazilian jiu-jitsu, Krav Maga and Tae Kwon Do.

Ever since I was a senior in high school I have sought to use the skills and talents that God enabled me to develop in the martial arts for His glory. I have had countless opportunities to preach and share the gospel with the lost as well as Christians in karate demonstrations and karate camps. Souls have been saved and Christians have been strengthened and challenged by the Word of God."
