

Camp Chetek Scholarship Program

Thank you for your inquiry about our scholarship fund. We're glad you're interested in sending children to Camp Chetek this summer, and we want to be a help financially if we can.

Scholarships are available based on a financial need basis only. We do not want a child to miss out on a great camping experience because of family financial difficulties. In order for a scholarship to be awarded, a guardian of the child(ren) desiring to attend camp must demonstrate that there is a financial need. This can be through an explanation of financial circumstances, proof of eligibility for other financial aid programs, etc.

If you wish to pursue scholarships for your child(ren), please complete the following information and return this form to Camp Chetek, or you may call the camp to give the information over the phone.
