

Camp Chetek Special Diet Policy for Campers and Sponsors

How We Provide

- **Camp Chetek** will endeavor to faithfully provide for all, balancing the needs of the many with the needs of the few.
- **Camp Chetek** strives to provide high quality meals that are healthy, appetizing and with sizeable portions.
- **Camp Chetek's** goal is to provide a quality menu selection for the groups being served. There will be variations in food types, choices offered and a number of options based on the majority being served.
- There is freezer, cooler, and dry storage space available for any personal items brought to supplement the **Camp Chetek** menu to meet special dietary needs. Please, clearly label your food and storage container(s) with first and last names.

What We Provide

- **Camp Chetek** is unable to provide for medically required dietary issues. (For Example, our kitchen is not a gluten free environment. We use a wide variety of ingredients while preparing camp meals)
- **Camp Chetek** will work to provide accommodations for special diet needs if a camper or person was uninformed of our menu before arrival, throughout that retreat.
- The first choice to meet special diet requests will be from other options served at the current meal, salad bar or, entrée selection.
- Please keep in mind that **Camp Chetek** does not routinely provide food for special dietary needs.
